

LAST NIGHT, AS I WAS
LOOKING OUT MY WINDOW...

I SAW THIS STRANGE
FLYING THING IN THE SKY
ABDUCT A PERSON FROM
THEIR HOME...

AT MY HOUSE,
WE HAVE THIS
WASHING MACHINE.

WHENEVER WE WASH STUFF IN IT,
THE SOCKS ARE ALWAYS GONE.

WE HAD NO IDEA
WHERE THEY'D GO
OR WHO THEY'D DISAPPEAR.
BUT THEN MY SISTER SAID:

ALIENS
TOOK THEM.
I SAW THEM.

SINCE MY SISTER SAW THEM,
I KNOW THEY MUST BE REAL.

IT CAME BACK AROUND AN
HOUR LATER AND PUT THE PERSON
BACK DOWN

IT MUST'VE BEEN A UFO,
RIGHT?

ONE OF THOSE
SPACESHIPS
THAT ALIENS
RIDE IN

HAH-
I DON'T BELIEVE
IN ALIENS!

NO,
ALIENS ARE
REAL...

THEY SAY THAT IN A UNIVERSE AS
VAST AS OURS, THE CHANCES
OF THERE BEING OTHER LIFE FORMS

ARE FAR GREATER THAN
THE CHANCES OF US
BEING ALONE.

EVEN ON EARTH,
THERE HAVE BEEN LOTS
OF REPORTS OF PEOPLE
SEEING ALIENS,

AND AMONG THEM,
THE "ROSNELL INCIDENT"
FROM 1947 IS ONE OF
THE MOST FAMOUS.

THERE ARE ALSO THESE
MYSTERIOUS CIRCLES
AT DIFFERENT PLACES
AROUND THE WORLD.

AND SOME PEOPLE SAY
THE MASSIVE DESIGNS
ARE SOME KIND OF ALIEN CODE

THERE ARE LOTS OF OTHER
STORIES LIKE THIS,
AND NO ONE SEEMS TO BE ABLE TO
CONCLUSIVELY PROVE THAT
THERE ARE NO ALIENS.

SEE?
I TOLD YOU
THEY'RE REAL!

COME ON- THOSE ARE ALL
JUST A BUNCH OF RUMORS!

NO!!
I SAW THEM!

YOU WERE
PROBABLY
JUST DREAMING.

GUYS,
INSTEAD OF US
AROUND ABOUT IT,
LET'S GO ASK
OUR TEACHER!

CHUKAPUKAI!

WE HAVE A
QUESTION FOR YOU,
TEACHER!

OH! COME ON IN,
STUDENTS!
I'M HAPPY TO SEE YOU!

I WAS JUST MAKING DINNER!
LET'S EAT TOGETHER TONIGHT!
CARAKAPKA IS HAPPY!

ANONIM
WHAT DID YOU
WANNA ASK ME?

BELIEVE IT OR NOT

JINGLE JUNGLE
